

Aspire Platform Integration

Inova Payroll

Your unified payroll, HR, and benefits management solution.

“The Inova integration saved our managers one to two hours a day just by removing the need to manually enter hours, and we stopped duplicating processes. This combined software solution allowed us to grow in a new way.”

Seth Pflum, COO
Grunder Landscaping

Set accurate prices based on **real** costs.

Accurately job cost and price services by leveraging up-to-date information on actual labor burden costs.

Streamline the transfer of **employee data.**

Maintain one employee record for business processing and general ledger posting by effortlessly transferring required data with an automated sync between Inova and the Aspire platform.

Automate processes for **efficiency.**

Streamline your payroll processes and improve efficiency to save time and money with Inova’s unified HCM solution.
